

Acceptable Use Policy

1. Purpose

This Acceptable Use Policy defines the rules for using Bots For That services to ensure security, legality, and integrity of our systems and users.

2. Prohibited Activities

Users must not:

- Use the service for unlawful purposes
- Attempt to gain unauthorised access to systems or data
- Distribute malware, spam, or harmful content
- Interfere with system integrity or security
- Violate the privacy or intellectual property of others

3. Customer Responsibilities

Customers are responsible for ensuring that all users within their organisation comply with this policy. Accounts must be protected using strong, unique passwords.

4. Reporting Violations

Suspected violations of this policy should be reported to security@botsforthat.com. We may investigate and take appropriate action, including suspension of access.

5. Policy Enforcement

We reserve the right to suspend or terminate accounts that violate this policy, and to take legal action where necessary.
